

# VIDEO/DVD FINDER

This is an ALPHABETICAL listing of all of the videos and DVDs in the Learning Support Services collection.

If a translation was available, both the original and translated titles are listed.

If a title belongs to a multi-part series, each title is listed separately as well as being listed under the series title (e.g. “The Rise of Nationalism” from the series “Africa: A Voyage of Discovery” is listed under both “Rise of Nationalism, The” and “Africa: A Voyage of Discovery : The Rise of Nationalism.”)

Ignore initial articles such as a, der, des, el, l', la las, le, les, los, the, un, una, etc. (e.g. look under “B” for “La belle et la bete.”)
